*Christmas has come! Let us sing beautiful melodies and songs, because God is love.*

*When Christ was born, he was visited by Three Kings, and each of them offered a unique gift especially meant for him.*

*It is New Year! Let us have new lives so our country could be happy.*

*Let us sing while the world is quiet. The day has come of the Infant offered from heaven.*

*Let us strive and work hard so we can achieve prosperity. Let us love one another; let us follow the Golden Rule.*

*And from now on, when it's no longer Christmas, let us have charity towards one another. trans. by C.T. Schaeffer*
